

The Longest Night A Passover Story

Laurel Snyder

The Longest Night Laurel Snyder,2013-02-12 A perfect picture book for the whole family this Passover. Unlike other Passover picture books that focus on the contemporary celebration of the holiday, or are children's haggadahs, this gorgeous picture book in verse follows the actual story of the Exodus. Told through the eyes of a young slave girl, author Laurel Snyder and illustrator Catia Chien skillfully and gently depict the story of Pharaoh, Moses, the 10 plagues, and the parting of the Red Sea in a remarkably accessible way. This dramatic adventure, set over 3,500 years ago, of a family that endures hardships and ultimately finds freedom is the perfect tool to help young children make sense of the origins of the Passover traditions. Evocative and beautiful... flawlessly evokes the spirit of the Old Testament story. —Publishers Weekly, Starred.

Orphan Island Laurel Snyder,2017-05-30 A National Book Award Longlist title! A wondrous book, wise and wild and deeply true. —Kelly Barnhill, Newbery Medal-winning author of *The Girl Who Drank the Moon* This is one of those books that haunts you long after you read it. Thought-provoking and magical. —Rick Riordan, author of the *Percy Jackson* series In the tradition of modern-day classics like Sara Pennypacker's *Pax* and Lois Lowry's *The Giver* comes a deep, compelling, heartbreaking, and completely one-of-a-kind novel about nine children who live on a mysterious island. On the island, everything is perfect. The sun rises in a sky filled with dancing shapes; the wind, water, and trees shelter and protect those

who live there; when the nine children go to sleep in their cabins, it is with full stomachs and joy in their hearts. And only one thing ever changes: on that day, each year, when a boat appears from the mist upon the ocean carrying one young child to join them—and taking the eldest one away, never to be seen again. Today's Changing is no different. The boat arrives, taking away Jinny's best friend, Deen, replacing him with a new little girl named Ess, and leaving Jinny as the new Elder. Jinny knows her responsibility now—to teach Ess everything she needs to know about the island, to keep things as they've always been. But will she be ready for the inevitable day when the boat will come back—and take her away forever from the only home she's known? A unique and compelling story about nine children who live with no adults on a mysterious island. Anyone who has ever been scared of leaving their family will love this book (from the Brightly.com review, which named Orphan Island a best book of 2017).

30 Minute Seder Robert Kopman,2006 This refreshingly brief, Rabbinically approved Passover Haggadah maintains the reverence of Passover while keeping the high points intact. The contemporary gender-neutral text, beautiful full-colour illustrations, and Seder songs make for a memorable Passover Seder that engages and entertains the entire family. 30minute-Seder' contains simple directions and Passover Seder plate instructions. Hebrew prayers are also provided with transliteration. The treatment given to the four-children (traditionally the four sons) is simply brilliant. The four-questions and their answers are presented in a truly thought provoking way. This fun-to-read Passover Haggadah is perfect for the family on the go and appeals to new and experienced Seder participants alike.

Had Gadya ,2009-03-03 A must for every Seder table at Passover!

Rather, it is a complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

Bigger Than a Bread Box Laurel Snyder,2011 Devastated when her parents separate, twelve-year-old Rebecca must move with her mother from Baltimore to Gran's house in Atlanta, where Rebecca discovers an old bread box with the power to grant any wish--so long as the wished-for thing fits in the bread box.

A Highly Unlikely Scenario, Or a Neetsa Pizza Employee's Guide to Saving the World Rachel Cantor,2014 A dazzling

debut novel wherein medieval Kabbalists, rare book librarians and Latter-Day Baconians skirmish for control over secret mystical knowledge, and - in this future ruled by competing giant fast food factions - one Neetsa Pizza employee discovers that no-one ever saved the world with pizza coupons. A brilliant sci-fi / literary crossover title with a healthy sense of the absurd, written in the same tongue-in-cheek spirit as Douglas Adams' Hitch Hikers Guide to the Galaxy (1978).

New American Haggadah Jonathan Safran Foer,2014-03-04 Jonathan Safran Foer's and Nathan Englander's spectacular Haggadah-now in paperback. Upon hardcover publication, NEW AMERICAN HAGGADAH was praised as a momentous re-envisioning through prayer, song, and ritual of one of our oldest, most timeless, and sacred stories-Moses leading the ancient Israelites out of slavery in Egypt to wander the desert for 40 years before reaching the Promised Land. Featuring a new translation of the traditional text by Nathan Englander and provocative essays by a collection of major Jewish writers and thinkers, it was received not only as a religious document but a magnificent literary and artistic achievement. Now, after two years of patience, those readers who asked for a paperback edition have gotten their wish.

Enduring Questions David Bloome,Evelyn B. Freeman,Rosemary Horowitz,Laurie Katz,2022-11-28 This accessible guide to Jewish children's literature explores many of the enduring questions of the Jewish tradition: What is Jewish history? What are love, wisdom, humor, ritual, evil, and justice? Jewish children's literature matters for all children, and with this practical guide parents and teachers will be empowered to choose and discuss books and stories with Jewish or non-Jewish children. Jewish children's literature is often absent in school classrooms and when it is available, it presents a picture to children of Jews as victims. Enduring Questions provides teachers with guidance in the use of Jewish children's literature in the preschool and elementary school classroom. Enduring Questions includes extensive bibliographies of Jewish children's literature, digital resources for teachers, and suggestions for further reading. With summaries of suggested books and texts, honest recommendations from teachers who have used these texts in the classroom, and practical curricular connections, this comprehensive book is suited for those looking for an introduction to teaching Jewish children's literature and those familiar with it. The book provides a framework about the use of Jewish children's literature as an opportunity for all children, both Jewish and non-Jewish, to be philosophers and engage in dialog and debate. The enduring questions thoughtfully explored through Jewish literature are important for all students growing up in a diverse multicultural world.

My Blue Is Happy Jessica Young,2024-05-07 What is your blue like? A lyrical ode to colors -- and the unique ways we experience them -- follows a little girl as she explores the world with her family and friends. Your neighbor says red is angry

like a dragon's breath, but you think it's brave like a fire truck. Or maybe your best friend likes pink because it's pretty like a ballerina's tutu, but you find it annoying -- like a piece of gum stuck on your shoe. In a subtle, child-friendly narrative, art teacher and debut author Jessica Young suggests that colors may evoke as many emotions as there are people to look at them -- and opens up infinite possibilities for seeing the world in a wonderful new way.
